

## **Vision for Princes Risborough**

In 2033, Princes Risborough will be a modern, green and accessible market town - with a safe and vibrant community, that strongly reflects its historic roots, rich cultural heritage and special landscape setting within the Chiltern Hills.

Our town of the future will:

- provide high quality, environmentally sensitive homes for local people, as well as those from further afield
- encourage our community to come together to enjoy the social and economic benefits of a thriving high street, and facilities for sports and recreation
- offer outstanding public services, including high-quality schools and healthcare
- have a well-developed network of roads, cycle routes and footpaths - enabling people easily to get to where they want to go
- encourage future generations to remain in the town through business investment, so that people can live and work in the local area
