

Notice of Review of Polling Districts and Polling Places

Representation of the People Act 1983
Sections 18A, 18B, 18C, 18D and 18E and schedule A1

The Review of Polling Districts and Polling Places (Parliamentary Elections) Regulations 2006

The above regulations require Wycombe District Council to carry out a review of its Polling Districts and Polling Places on a regular four-yearly cycle.

We are looking for feedback on any aspect of polling districts and/or polling places currently used and invite representation and comments from interested persons.

Local political parties and Councillors will be consulted and views are invited from electors within the Parliamentary Constituencies of Wycombe, Aylesbury (part), Beaconsfield (part) and Buckingham (part) as well as such persons as may have particular expertise in relation to access to premises or facilities for persons who have different forms of disability.

Local community groups will also be consulted.

The consultation period for the review will start on **Monday 1 October 2018** and end on **Monday 29 October 2018**.

Although the review is of polling districts and polling places it is accepted that polling stations are inexorably linked to the review and comments are invited regarding those stations currently used and/or any suggested alternatives.

Information regarding the current polling districts and places can be found on the Council's web site www.wycombe.gov.uk and information relating to the process of reviews from the Electoral Commission's web site www.electoralcommission.org.uk
