Appendix 1 Standard Conditions / Regulations

Appendix 2 Procedure for Hearings

1. Introduction

- 1.1 This document sets out Wycombe District Council's proposed policy (the "Policy") regarding the regulation of sex establishments and the procedure for applications relating to sex establishment licences. The Policy originally became effective on the 1st April 2012. The policy will continue to be reviewed in light of developing practice, guidance and secondary legislation.
- 1.2 This document relates to applications for sex establishment licences. Sex establishments fall into one of the following three categories:
 - sex cinemas
 - sex shops
 - sexual entertainment venues
- 1.3 The scheme for the control of sex establishments by way of a licensing regime is contained in Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982, as amended by the Policing and Crime Act 2009. In producing this Policy the Council has had regard to the Home Office Sexual Entertainment Venues Guidance for England and Wales (March 2010).
- 1.4 This Policy sets out the Council's approach to licensing of sex establishments for the benefit of applicants, operators and the general public. It also aims to ensure transparency and consistency in decision making. When the decision making powers of the Council are engaged, each application will be considered on its merits.
- 1.5 The procedure outlines:
 - the process for making an application, and
 - the process the Council will follow in considering and determining an application for a sex establishment.
- 1.6 This Policy will be reviewed at least every 3 years. Its contents will be revised to incorporate any new, relevant legislation and guidance as appropriate.

2. Consultation on the Policy

- 2.1 Consultation on this Policy will take place with:
 - The Chief Officer for Thames Valley Police for the area of Wycombe district;
 - One or more persons who appear to the authority to represent the interests of persons carrying on, or proposing to carry on the business of a sex establishment in the authority's area.
 - One or more persons who appear to the Authority to represent the interests of persons to be employed either as performers or otherwise in the business of a sex establishment;

- One or more persons who appear to the Authority to represent the interests of persons who are likely to be affected by or otherwise have an interest in the Policy. This includes, but is not limited to, regulatory authorities such as Thames Valley Police, the Fire Authority, Community Safety and Child Protection;
 - Interested parties such as resident associations and trade associations and others as considered appropriate.
- 2.2 The Licensing Authority will give due weight to the views of those consulted and will amend the Policy where appropriate. In determining what weight to give particular representations, the factors to be taken into account will include:
- Who is making the representation (what is their expertise or interest)
 - How many other people have expressed the same or similar views
 - How far the representations relate to matters the Council should include in its Policy.
- 2.3 The full list of those consulted is available on request from the Licensing Unit or by email to licensing@wycombe.gov.uk
- 2.4 The Policy is published via the Licensing website:
- www.wycombe.gov.uk/licensing
- Hard copies are available upon request from the Licensing Unit.

The locality and the area covered is a matter for the Local Authority to decide at the time it considers an application for the grant, renewal or transfer of a sex establishment licence.

3.10 Permitted hours

These are the hours of activity and operation that have been authorised under a sex establishment licence.

3.11 Appropriate Authority

Wycombe District Council is the 'Appropriate Authority' for the purposes of the sex establishment licensing regime introduced by the Local Government (Miscellaneous Provisions) Act 1982 (as amended) and adopted by the resolution of the Council on the 28th February 2011 taking effect from the 1st April 2011.

4. Background to the Area

4.1 District background

The District is a mixed urban and rural area, whose amenity the Council has a duty to protect. One of the Council's aims is to promote safer and stronger communities. These factors will be taken into account where applications will increase the concentration of entertainment uses in a way that would materially impact on the local area.

4.2 Wycombe District is situated in the heart of Buckinghamshire, which includes such features as the Chilterns and Thames Valley. The three main towns, High Wycombe, Marlow and Princes Risborough are within 'The Chilterns', a designated Area of Outstanding Natural Beauty, whose secluded countryside and rural communities provide a unique environment for residents and visitors to enjoy.

- 4.3 There is currently one premise licensed under the Licensing Act 2003 that conducts lap dancing, which is a 'sexual entertainment venue' under the new legislation.

Strategic Vision

- 4.4 Wycombe District Council's vision to 2026 is that Wycombe District, will be economically strong and the place to live work and visit.
- 4.5 To deliver this vision the Council has adopted a Corporate Plan ((2016-2019) which sets out the strategic direction for the Council and informs the work of each of its services under three priorities of "place, people and pounds". We have set a series of projects to deliver these priorities and these can be found in our Corporate Plan on our website www.wycombe.gov.uk
- 4.6 Wycombe District Council recognises that some of the issues that face our communities are bigger than we can deal with on our own. To address this we work in partnership with other local agencies to make a positive difference in people's lives. This group of agencies is called the Wycombe Partnership. The Partnership is collectively responsible for the delivery of the Sustainable Community Strategy (20139–2031) which has five common themes across Buckinghamshire: thriving economy; sustainable environment; safe communities; health and wellbeing and community involvement.
- 4.7 The projects and activities set out within Wycombe District Council's Corporate Plan are our direct contributions to the partnership Sustainable Community Strategy.
- 4.8 This aims of this Policy complement the thriving economy; safe communities; health and wellbeing and cohesive and strong communities themes of our Sustainable Community Strategy and the priorities as set out in our Corporate Plan.
- 4.9 All of these issues will be taken into consideration when considering applications made for sex establishment licences.

4.10 Impact

In considering applications for the grant of new licences or variation of conditions, the Council will assess the likelihood of a grant causing adverse impacts, particularly on local residents. The Council will take the following general matters into account:

- Type of activity;
- Duration of proposed licence;

In considering all applications for renewal the Council will take into account:

- Proposed hours of operation.
- Layout and condition of the premises

- The use to which premises in the vicinity are put
- The character of the locality in which the premises are situated

4.11 In considering all applications for the grant of new licences or applications for variation of conditions the Council will take into account the potential impacts of the licensed activity on:

- Crime and disorder;
- Cumulative impact of licensed premises in the area including hours of operation;
- The character of the locality in which the premises is situated;
- Levels of recorded crime and disorder in the area;
- Past demonstrable adverse impact from the activity;
- Whether appropriate measures have been agreed and put into effect by the applicant to mitigate any adverse impacts;

4.12 **Location**

The Council acknowledges that the character of a locality is not something that remains static, but which can alter at any time. Its decision on an application will be based on its assessment of the character of a locality at the time an application is determined.

4.13 Licences will only be granted in predominately commercial areas and the Council is mindful of its power to determine that no sex establishment should be located in a particular locality. In accordance with case law, the Council shall decide a locality as a matter of fact to be determined by the particular circumstances of each case and not by drawing boundaries on a map.

The Council shall reserve the right to identify future areas that are not appropriate in accordance with The Home Office Sexual Entertainment Venues Guidance (March, 2010). The Policy shall be to determine the merits of any future applications dependant upon the prevalent 'character' of a locality, and in accordance with Government guidance and relevant case law.

5. **General Policy** **Principles to be applied**

5.1 Specific mandatory grounds for refusal of a licence are set out in the Act. A licence cannot be granted:

- a) to anyone under 18 years of age;
- b) to someone who has held a licence that was revoked in the previous 12 months and who was disqualified from holding a licence for that period;
- c) to someone who has been refused a new licence or renewal of licence within the last 12 months (from the date of making the application);

- d) to an individual who is not resident in the United Kingdom or who has not been resident for six months prior to the making of an application;
- e) to a company not incorporated in the United Kingdom;

5.2 Crime and Disorder

Under section 17 of the Crime and Disorder Act 1998, local authorities must have regard to the likely effect of the exercise of their functions on, and do all that they can to prevent, crime and disorder in their area. This policy will have regard to the likely impact of such licences on related crime and disorder in the district. In giving “due regard” to this the Council will consider all information available and representations made from any objectors, the Applicant and in particular Thames Valley Police.

- 5.3 Every application for the grant, renewal or transfer will be considered on its individual merits, on a case by case basis.
- 5.4 The Council may also refuse a licence if the applicant is unsuitable to hold a licence because they have been convicted of a relevant offence or for any other reason. The suitability of an applicant is a matter for the local authority to determine at the time of application.
- 5.5 The Local Authority will take into account representations from the applicant, any person objecting and the Chief Officer of Police. The Council shall normally take into account:
 - previous knowledge and experience of the applicant and their managerial competence;
 - any evidence of the operation of any existing/previous licence held by the applicant, including any licence held in any other area;
 - any report about the applicant and /or management of the premises received from objectors or the Police plus any relevant criminal convictions or cautions;
 - that the operator is proposing a management structure which will deliver compliance with operating conditions and policies. Information should be provided detailing the training of staff and the welfare of performers as well as means to protect the public;
 - any other relevant information.
- 5.6 The number of sex establishments or sex establishments of a particular kind in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality.
- 5.7 The grant or renewal of licence would be inappropriate having regard to:
 - i) the character of the relevant locality;
 - ii) the use to which any premises in the vicinity are put; or
 - iii) the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made;
 - iv) Where it can be shown that the business would be managed for the benefit of a third party who would be refused a licence;

- 5.8 The relevant locality will be determined in accordance with where the premises are situated or where the vehicle, vessel or stall is going to be used. The area and extent of the relevant locality is a matter of the local authority to decide at the time the application is made. Each application will be considered on its own merits.
- 5.9 In determining the character of relevant locality and the appropriate number of sex establishments in that relevant locality, the Local Authority will take into account, but not limit its determination to:
- (a) the use to which any premises in the vicinity are put;
 - (b) the number of existing sex establishments both in total and also in respect of each type (*i.e.* sex cinemas, sex shops and sex entertainment venues);
 - (c) the number of existing premises engaged in and or offering entertainment of an adult or sexual nature or entertainment associated with such entertainment (for example tattooing, piercing etc;)
 - (d) the proximity of residents to the premises, including any sheltered housing and accommodation for vulnerable persons;
 - (e) the proximity of educational establishments to the premises;
 - (f) the proximity of places of worship to the premises;
 - (g) access routes to and from schools, play areas, nurseries, children's centres or similar premises;
 - (h) the proximity to shopping centres;
 - (i) the proximity to community facilities/halls and public buildings such as swimming pools, leisure centres, public parks, youth centres/clubs. This list is not exhaustive;
 - (j) the potential impact of the licensed activity on crime and disorder and public nuisance;
 - (k) the potential cumulative impact of licensed premises in the area taking into account the days and hours of operation of the activity and the character of the locality where the premises are situated;
 - (l) the nature and concerns of any objections received from residents/establishments objecting to the licence application;
 - (m) any evidence of complaints about noise and/or disturbance caused by the premises;
 - (n) current planning permission/planning requirements on the Premises and any current planning policy considerations;
 - (o) whether there is planned regeneration of the area;
 - (p) any current licensing permissions relating to the premises in relation to activities, uses and hours;
 - (q) the proposed activity and hours of opening

5.10 Permitted Trading Hours

Premises will not be permitted to be open for trade other than at the following hours:

Sex Establishments (Shops/Cinemas): between 09.00 hours – 18.00 hours on Mondays to Saturdays, with no trading permitted on Sundays.

Sexual Entertainment Venues: Thursday - Saturday 12:00 – 02:00 hours,
Sunday – Wednesday and Bank Holiday's; 12:00 – 00:00 hours.

6. The Application Process

Making an application

- 6.1 Any application should be made in writing to the Council Licensing Team. Please note that generally, applications may take 8-12 weeks to determine. Applications can be made by individuals (over 18) or by companies.
- 6.2 Applicants for a licence must complete and return the application form, together with:
- two sets of floor plans, drawn to scale and showing all means of entry and exit, any parts used in common with any other building and indicating how the premises lie in relation to the street;
 - two sets of plans showing the existing and front elevation of the premises depicting all signage;
 - two sets of plans (scale 1:500) showing the sex establishment in relation to other premises within 100 metres;
 - two sets of plans (scale 1:50) showing the layout of the sex establishment;
 - the correct fee as approved by the Council. Fees will be reviewed on an annual basis and details will be published on the Council's website and included within application packs.
- 6.3 As part of the application process, applicants are required to post a white A3 notice at the proposed site for 21 days, from the date the application is lodged with the Council, setting out the application details.
- 6.4 The notice must be posted in a prominent position on the premises for the whole of that time so that it can be easily read by passers-by. Applicants are also required to place a public notice in a local newspaper, for example the Bucks Free Press, at their own expense. The newspaper notice should appear in the publication within 7 days of the application being lodged. Within 14 days of the date on which the Application is made the applicant must also send one complete copy of the newspaper containing the advertisement to the Council's Licensing Unit.
- 6.5 Authorised Officers from the relevant Authority may choose to inspect the premises. This includes Council Licensing Officers, Thames Valley Police and the Fire Authority to ensure that required technical standards are met. If works are required to bring the premises up to standard, the applicant will be notified. Licences will not be issued until all required works are satisfactorily completed.
- 6.6 As part of the established procedure for dealing with applications, the Council's Control of Pollution Team will be consulted. If there is the possibility of noise nuisance from amplified music or other sources, these

officers may also carry out an inspection and recommend noise insulation work. Any requirements they identify must be complied with at all times any licence is in force.

- 6.7 Notice of all applications (new, renewal, variation and transfer) shall be given to Council Licensing Officers, Thames Valley Police, the Council's Control of Pollution Unit, the Fire Authority, relevant Ward Members and any other person(s) as deemed appropriate by the Council. Copies of all documentation must be provided to all parties.
- 6.8 Applicants are advised that any person who, in connection with an application for the grant renewal or transfer of a licence, makes a statement which s/he knows to be false in any material respect, or which she/he does not believe to be true, is guilty of an offence and liable to summary conviction to a fine not exceeding £20,000.
- 6.9 Any licence approved does not constitute any approval under any other Acts (for example, the Town and Country Planning Act 1990) or Bye-Laws. The applicant must ensure that all other necessary consents and approvals are obtained prior to operation.
- 6.10 The Council will not determine an application for grant of a licence unless the applicant allows an authorised officer a reasonable opportunity to enter the proposed sex establishment to make such examination and enquiries as may be necessary to determine the suitability of the applicant and the sex establishment.
- 6.11 On the grant of a licence, the licence document will have the agreed days and hours of operation set out, together with any other specific and/or standard conditions applied. Licence holders must comply with all requirements of the licence. Sex Establishment Licences will normally expire on an annual basis, but can be issued for a shorter term if deemed appropriate.
- 6.12 Application forms, sample advertisements and site notices are available via www.wycombe.gov.uk/licensing or on request from the Licensing Unit.
- 6.13 Renewal of Licences**
- To continue operating as a sex establishment, licence holders must make a renewal application prior to the expiry of any existing licence.
- 6.14 The Council will not determine an application for renewal of a licence unless the applicant allows an authorised officer a reasonable opportunity to enter the proposed sex establishment to make such examination and enquiries as may be necessary to determine the suitability of the applicant and the sex establishment.

6.15 Variation of Licence

The application form, with relevant plans and fee should be sent to the Licensing Unit. Please note that applications for any variation to a licence are also subject to the site and newspaper notice requirements as set out above for new applications.

- 6.16 Variation applications relate only to proposed changes to such matters as the hours and area of the premises covered by the licence. Any changes in Licensee must be the subject of a transfer application.

6.17 Transfer of Licence

The Council will not determine an application for transfer of a licence unless the applicant allows an authorised officer a reasonable opportunity to enter the proposed sex establishment to make such examination and enquiries as may be necessary to determine the suitability of the applicant and the sex establishment.

7. Representations on an Application

- 7.1 As a result of the specific statutory advertising requirements, the Council will not proactively consult local residents on applications. The Council will reserve the right in exceptional circumstances to consult local residents in relation to applications for grant, renewal or variation of the terms or conditions of a licence depending upon the individual circumstances of each application. The nature and extent of consultation will depend on the history of a particular premises and the perceived likelihood of problems occurring and objections being received.
- 7.2 Any person wishing to object to an application must submit a written representation within the 28 day consultation period specified to the Licensing Service, setting out the grounds of objection.
- 7.3 Representations made before the application is submitted can be taken into account. The Council also has discretion to consider representations made after the 28 day consultation period although this will be assessed on a case by case basis.
- 7.4 The legislation dictates that, unless a person making representations consents, their name and address shall not be revealed to the applicant. They may also be reluctant to appear before a hearing of the Sub-Committee.
- 7.5 However, the grounds of any objection made in relation to an application must be provided to the applicant prior to the determination of the application. The report to the relevant Sub-Committee will provide full details of the objections, including any actions / undertakings proposed by the applicant to address matters raised.
- 7.6 Additionally, the applicant and any persons who made representations and who wish to attend the hearing will have the opportunity to address

the Sub-Committee before the application is determined (See Appendix 2 below).

8. Grandfather Rights

There are no grandfather rights contained within the Act. Where an application is made for a new licence to carry out the same activities as previously undertaken at a premise, where hours of operation and conditions are requested as previously licensed, the Council shall give due weight to the fact that the licence was granted in the previous year and for a number of years before that if relevant. However, the Council will take into account:

- Levels of recorded crime and disorder in area;
- Evidence of past demonstrable adverse impacts from the activity on the safety and amenity of local residents;
- Whether appropriate measures have been agreed and put into effect by the applicant to mitigate any adverse impacts.

9. Appeals

9.1 There is no right of appeal:

- against refusal of a licence on the grounds set out in paragraph 5.1 above, unless an applicant can prove the appropriate ground of refusal does not apply to them;
- where refusal of a licence is based on the grounds set out in paragraphs 5.6 and 5.7 above;
- against conditions applied to a licence

9.2 Any appeal to the Magistrates' Court must be made within 21 days from the date on which the person is notified of the decision or became aware of the condition.

9.3 Where an appeal is lodged (other than on grounds previously stated) against refusal to renew or for revocation, the licence remains in force until such time as the appeal is determined. Where an appeal is lodged against conditions applied to a licence, the conditions are deemed not to come into force until the determination or abandonment of the appeal.

10. Enforcement Enforcement Policy

10.1 The Council's Licensing Enforcement Policy is based upon the principles of consistency, transparency and proportionality as set out in the Department of Trade and Industry's Enforcement Concordat which also takes into account the Attorney-General's Guidelines to Crown Prosecutors for bringing prosecutions.

10.2 The Enforcement Policy (available on request from the Licensing Unit) proposes that a graduated response is taken where offences against licensing legislation are found or where licence conditions have been

contravened. An isolated administrative offence – such as failing to display a Premises Licence Summary – may be dealt with purely by way of a written warning whilst more serious offences which have either been committed over a period of time or which jeopardise public safety – such as failing to maintain fire safety equipment properly – may result in a referral for prosecution.

Enforcement General

- 10.3 The Council will seek to work actively with the police in enforcing licensing legislation and is a signatory to the Buckinghamshire Memorandum of Understanding and Joint Enforcement Protocol along with Thames Valley Police and the other local authorities in Buckinghamshire. The Protocol seeks to ensure a consistent and appropriate approach to enforcement. The Protocol is available on the Council's website at www.wycombe.gov.uk/licensing or a copy can be obtained by contacting the Licensing Unit on 01494 421222 or at licensing@wycombe.gov.uk. The police, the Authority and other agencies will share information about licensees and licensed premises under the provisions of current legislation.
- 10.4 The Council will provide a licensing enforcement function to investigate allegations of unlicensed activities and to ensure that licence conditions are complied with. Any inspection regime will be relative to the type of premises to be inspected i.e. properly managed and maintained premises will not require the same number of inspections as problem and high risk premises.
- 10.5 The Council will carry out its responsibilities in relation to enforcement so as to promote business whilst protecting the public and will aim to ensure that enforcement is fair, open, reasonable, consistent and proportionate. Action will be taken against the most appropriate person, which may not be the licence holder or premises supervisor, depending upon the circumstances.

11. Human Rights

- 11.1 The Human Rights Act 1998, incorporates the European Convention on Human Rights, and makes it unlawful for a local authority to act in a way which is incompatible with a Convention right. The Council will have particular regard to the following relevant provisions of the European Convention on Human Rights:
- Article 6 that in the determination of civil rights and obligations everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law;
 - Article 8 that everyone has the right to respect for his home and private life, including, for example, the right to a “good night sleep”;
 - Article 1 of the first protocol that every person is entitled to the peaceful enjoyment of his or her possessions. It should be noted that the Courts have held that a licence is a person's possession.

Parties are reminded to treat other parties with respect and any form of harassment or excessive questioning will not be tolerated. In such a case, the Chairman will ask the party to discontinue that type of questioning and may ask the party to leave if they are disrupting the proceedings.
