

Stage 1: Scope of the Equality Assessment

**** NB. It is important that your Equality Champion (See Corporate, Equality and Safeguarding on WySpace for a current list) is aware that the EA is being undertaken, and is kept updated throughout the entire process ****

EAs are designed to be proportionate and relevant and thus the time spent completing the EA and the depth to which the questions are answered need to reflect the size and importance of what is being assessed

Your Equality Champion can help with completing the EA if necessary, or [guidance](#) can be found in the Documents section of the Equality and Safeguarding page on WySpace (via the Corporate tab)

1. What is being assessed? (Title or description of the policy, strategy, service, function (this includes reports to Cabinet as appropriate)).

And who implements this policy, strategy, service or function?

HECA – Home Energy Conservation Act

2. What is the purpose? (A short statement about its aim or objectives)

To improve energy efficiency in residential homes throughout Wycombe District

3. Who is affected? (The people it covers)

Potentially any household within the District

4. Are there any other organisations involved in delivery? (Other agencies, Voluntary sector) If so, please list them.

Our partners – ‘Affordable Warmth Network’ and ‘Green Deal Together’

5. What are the external drivers for change? (i.e. Legal, National Policy, Partnership, etc)

This is a National policy that Local Authorities are obliged to follow

6. Does / could the service, the way you implement it, or the potential change directly affect any of the protected characteristic groups (public, Members or staff)? See Appendix 2 of the [Equality Framework](#).

No, although the aim is to improve energy efficiency it is targeted at properties rather than residents

7. Does / will it affect how other services are provided?

No

8. Is there information e.g. survey data or complaints that suggest that it will / is affecting particular groups of people who share a protected characteristic? If so, how?

No, as above it is targeted at the property rather than the resident. However funding opportunities are available to vulnerable people

9. Does it have employment implications? (e.g. Recruitment policy)

No

If you have answered 'yes' to one or more of questions 6,7,8 or 9 you will probably need to carry out a full Equality Assessment immediately.

10. Using the assessment in Questions 6-9 above, should a full assessment be carried out at this time?

NO

11. If you have said NO what is the justification for your decision? (Please provide details. e.g. a top level assessment may need to be carried out now to meet Cabinet requirements but enough information for a full assessment isn't available at this time). If so a due date for the completion of the full EA **MUST** be provided

The HECA is a National policy which should have been equality assessed. There are stringent Govt guidelines regarding implementation which must be adhered to and WDC therefore has no influence over any implementation criteria.

If the answer to Q10 is 'yes' continue with stages 2-4. Head of Service sign off will be required after Stage 4 only and a **Word electronic copy** should be returned to the Equality Officer for publication.

If the answer to Q10 is 'no' the EIA will need to go through the **challenge process** to ensure that no further stages are required either at this time or ever, and needs to be sent to Claire Hook, Equality Officer for discussion and possible further explanation at claire_hook@wycombe.gov.uk. Then, if following the challenge process

a) it is agreed with the Equality Officer that no further Stages need to be completed the Head of Service needs to sign off the assessment (below) and return a Word electronic copy it to the Equality Officer for publication.

OR

b) it is agreed with the Equality Officer that Stages 2-4 need to be completed there is no need for Head of Service sign off until Stages 2-4 have been completed at which point a **Word electronic copy** should be returned to the Equality Officer for publication.

12. Who undertook this assessment?
