Rev	Date	Description	By
05	08.10.18	Amend car park traffic flow as per email from Jason Brown, Alpha Consultants 08.10.18, from two way to one way system to decrease risk of conflict between opposing vehicles.	PC
04	01.10.18	Insert one way exit access roadway onto Queensway. Add bin and water point to children's section. Add access track to service borehole and soakaway.	PC
03	08.08.18	Detention basin increased to 460m3 capacity	PC
02	06.08.18	Soakaway borehole location and 60m3 detention basin inserted. Compound area moved across to location above roundabout.	PC
01	19.07.18	Remove small roundabout as too small for hearse maneuvering. Vehicle access to children's. Increase size of car park. Change location of building and move water feature to correspond. Change grave sizes and orientation of Muslim plots facing Mecca. Insert Muslim chambers and child and baby plots. Grass footpaths reduced to 1.2m and 1.8m widths.	PC
