

# Community Cop Cards sticker information:

## Anti-social behaviour

**Purpose**– This sticker is designed to inform the children about what acceptable behaviour is and what behaviour won't be tolerated.

**Approach**– This is a specific input being delivered by your local neighbourhood officers. Every neighbourhood in Thames Valley has a dedicated Neighbourhood Policing Team. The talk will discuss how to contact the Police in an emergency and a non-emergency, what anti-social behaviour is and the effect it can have on the community.

**Tasks to complete to receive the sticker**- The teachers have the contact details of the local Neighbourhood Policing Team.
