

Community Cop Cards sticker information:

Community Event

Purpose– This sticker is designed to encourage the children to attend events that are already happening in their community.

Approach- Part of the idea for this scheme is to help children reconnect to their local community.

Tasks to complete to receive the sticker- The sticker for this event should be awarded if the child attends such an event. Children will need to bring in some evidence that they attended the event, such as a leaflet, picture of them there, ticket receipt for you to award the sticker.

Resources to use- The following can be suggested to guide the pupils:

Viewing your local Parish notice boards or look on their websites.

The friendly staff at your local Tourist Information Centre's may be able to help with directing you to local events.
