

# Community Cop Cards sticker information:

## St. John's Ambulance

**Purpose** - This sticker is designed to help teach the children basic first aid principles.

**Approach** – St John's Ambulance is the nation's leading first aid charity. Every year, they provide more than 400,000 people training to learn how to save a life, including hundreds of thousands of young people. They offer basic first aid training to young people across the whole of Great Britain. First aid gives young people something amazing – the confidence to do the right thing when it really counts.

**Tasks to complete to receive the sticker-** The class will need to have completed a training session on basic first aid. This can be delivered by St. John's Ambulance or Heartstart if the school already use this company.

**Resources to use–** Teachers have the details of how to organise a first aid session for their class
