Wellbeing

Purpose- This sticker is designed to provide the children with an awareness of healthy relationships, transitioning, internet safety and grooming (CSE).

Approach- A workshop is delivered by the NSPCC. The children will be given an insight into Child Sexual Exploitation and what a healthy relationship is. This workshop will ensure all children learn this essential safeguarding information in a lively, interactive and memorable way. By the end of the visit pupils feel empowered to speak out and stay safe.

Our workshops increase knowledge and understanding of the risks of being sexually exploited, self-worth and esteem using age appropriate materials and exercises.
