

## **The Local List of Architectural and Historic Significance for Wycombe District**

This list contains the addresses of those properties and other features of architectural or other historic significance which have been designated as a "Heritage Asset" through addition to the Wycombe District Local List. It does not contain properties which are nationally (statutory) listed, or scheduled ancient monuments.

For information on nationally listed properties, please see [English Heritage's National Heritage List for England](#).

All listed properties, both locally listed and nationally listed, may be viewed on the [Wycombe District Council MyWycombe service](#).

The Local List is divided between the three main towns of the Wycombe District and the rest of the District. Please click on the headings below to jump to each section of the list.
