Please make your comments here. Please be as clear as possible and ensure any relevant supporting information is included, and continue on additional sheets if necessary. There will not normally be a subsequent opportunity to make further comments.

These comments are submitted on behalf of the Great and Little Kimble Neighbourhood Plan Action Group which is a Facebook group that supports the Neighbourhood Plan but is concerned to ensure that the new housing will be accommodated on small sites to protect the character of the villages and that there will be no major developments in the villages as was promised at the launch of the Neighbourhood Plan process.

Two of the housing sites that have been allocated in this draft Neighbourhood Plan do not represent sustainable development, do not comply with the Wycombe District Local Plan strategic policies and are not consistent with National Policy as set out in the NPPF.

Details of the objection are set out on the attached additional sheets.
