In summary:

- 1) All sites in the Green Belt which have not been previously developed are in the **Green Belt Assessment**;
- 2) Sites which are in the AONB but not the Green Belt are in the **Area of Outstanding Natural Beauty Site Assessment**. If the site is in the AONB and also in the Green Belt, the main appraisal is in the **Green Belt Assessment Report**, with additional assessment in the **AONB report** as needed;
- 3) Urban and rural non-Green Belt and/or AONB sites are all within the appendices to this **HELAA**.
