

Statement of Consultation - Appendix 1

**Bodies and individuals who were invited to
make representations under Regulation 18**

Bodies and individuals who were invited to make representations under Regulation 18

Consultation database

Contacts for each of the bodies invited to make representations under Regulation 18 are held on a bespoke Planning Consultation Database, which also contains several hundred businesses (planning consultants, local businesses, and housebuilders) and individuals that have requested to be registered on that database and wish to be informed of Local Plan consultations. At each plan stage, the Council asks people if they want to be added to this database: as such, the database grows as the plans progress. Contacts were amended as appropriate when notified.

Duty to Cooperate bodies¹

The Council has consulted the Duty to Cooperate bodies including potentially relevant authorities at each stage of the plan. The Council has sought to identify and obtain contacts for the relevant Duty to Cooperate bodies for Wycombe District.

Other than the neighbouring Local Planning authorities and Buckinghamshire County Council, the Regulations 2012 define other DTC bodies as follow:

Duty to co-operate

- **4.—(1)** The bodies prescribed for the purposes of section 33A(1)(c) of the Act are—
- (a) the Environment Agency;
- (b) the Historic Buildings and Monuments Commission for England (known as English Heritage);
- (c) Natural England;
- (d) the Mayor of London;
- (e) the Civil Aviation Authority⁽¹⁾;
- (f) the Homes and Communities Agency;
- (g) each Primary Care Trust established under section 18 of the National Health Service Act 2006⁽²⁾ or continued in existence by virtue of that section;
- (h) the Office of Rail Regulation⁽³⁾;
- (i) Transport for London⁽⁴⁾;
- (j) each Integrated Transport Authority⁽⁵⁾;
- (k) each highway authority within the meaning of section 1 of the Highways Act 1980⁽⁶⁾ (including the Secretary of State, where the Secretary of State is the highways authority); and
- (l) the Marine Management Organisation.
- (2) The bodies prescribed for the purposes of section 33A(9) of the Act are each local enterprise partnership.

¹ Other public bodies, in addition to Local Planning authorities, are subject to the Duty to Cooperate by being prescribed in the Town and Country Planning (Local Planning) (England) Regulations 2012 as amended by the National Treatment Agency (Abolition) and the Health and Social Care Act 2012 (Consequential, Transitional and Saving Provisions) Order 2013 (which added the Local Nature Partnerships).

- (3) In this Regulation “local enterprise partnership” means a body, designated by the Secretary of State, which is established for the purpose of creating or improving the conditions for economic growth in an area.

The NEP is introduced as a DTC body by the Regulations 2012 amendment.
