Sarah

Following our discussions this morning, I can confirm that the objection made in respect of policy HWTC3 can be formally withdrawn. Having spoken with my client, he does not feel it necessary for us to participate in the oral examination. I understand, however, that the our representations will be considered by the Inspector regardless.

Kind Regards

Jamie

Thanks for your email. As the High Wycombe Town Centre Masterplan: Highway Design Report (Jacobs, April 2012) proposes to retain the existing access arrangements could you confirm whether this means you are able, on behalf of your client, to formally withdraw your objection to policy HWTC3 and subject to this, whether you will still want to participate at the oral examination?

Regards

Sarah
