Subject: Wycombe Delivery and Site Allocations Plan: Consultation on Proposed Main Modifications

Dear Sarah Morgan

Thank you for your email on 7 March 2013 inviting the Highways Agency (HA) to comment on the Consultation on Proposed Main Modifications of the Wycombe Delivery and Site Allocations Plan.

The HA is an executive agency of the Department for Transport (DfT). We are responsible for operating, maintaining and improving England's strategic road network (SRN) on behalf of the Secretary of State for Transport.

The HA will be concerned with proposals that have the potential to impact the safe and efficient operation of the SRN, in the case of Wycombe this relates to the A404 and M40.

We have reviewed the consultation and do not have any additional comments at this time.

I hope this is helpful.

Your sincerely

Patrick Blake, Assistant Asset Manager
