

WEST STREET – POUND LANE LINK ROAD

our very last chance

WDC WANT TO HEAR FROM YOU

The Planning Inspector and Wycombe District Council have recommended these changes to the emerging Marlow Town Centre Plan which:-

Abandons the New Link Road planned to connect West Street with Pound Lane.

Keeps West Street Car Park as it is

Avoids a roundabout in West Street

Protects West Street's historic environment

Provides road access to the Portlands' housing only from Malthouse Way

Keeps lorries and through traffic away from Portlands Garden and Brewery housing

Brings life to a derelict, eyesore of a site

Provides much needed housing

Maximises the design & layout potential of the Portlands Garden housing

Provides a realistic solution to meet Government Planning Guidance

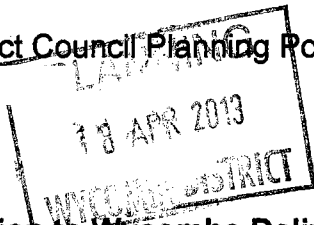

WHAT DO YOU THINK?

PLEASE LET THE COUNCIL KNOW BY NO LATER THAN Friday 19th April 2013

Please Email:

or write, or complete and post this, to the address below
