

APPENDIX 4: FEEDBACK FROM PARISH/TOWN COUNCILS RE OPEN SPACE INFORMATION REQUEST, MARCH 2010

Parish Councils were contacted to in December 2009 with request for information on:

1. Whether the Council's open space data is correct with regard to name, ownership, typology (i.e. categories of uses), access, quality assessment (where existent) and options for improvements?
2. Whether Parish Councils / Town Councils had any open space improvement projects planned

The response rate was relatively high with 75% of the Parish Councils and Town Councils responding.
