Dear Sir / Madam,

I would like to express my concerns about the significant expansion drive of the Risborough area. Since moving here, I understand there are plans to build thousands of new homes in Princes Risborough and surrounding areas (incl. Kimble).

I fail to understand the logic, given that infrastructure is already stretched at rush hour times. For instance, standing room only on 7.18 am train to London. Traffic jams on A4010 traffic at rush hour. A relief road won't be sufficient, as you will just be moving the bottleneck elsewhere, as people still need to commute to work.

Seeing that the village is on the edge of the AONB, I am disappointed to see very little attention being given to the ecological effects of this expansion (e.g. wildlife, pollution, fly-tipping of hundreds of builders).

I don't understand what the council's drivers are for this expansion, other than economical. Perhaps, scenarios like increasing council tax should be considered.

Kind regards,

Tim

(Please continue on a separate sheet/expand box if necessary)
