To whom it may concern

I have just received the leaflet regarding the expansion of Princes Risborough and find it ridiculous. From what I can see you will be building 750 homes before building and roads properly. There is no secondary school which means most people from these new developments will be using existing roads to bring their children to school. Clifford Road is already rammed every morning and afternoon and is dangerous. Tesco's cannot manage this amount of new buildings.

You are killing a beautiful old town.

There are no more doctors surgery's.

We already have seen houses going up for sale due to this expansion.

Although I see the need for expansion this is going to be like a living hell with what you are doing. Please slow down and think of what is happening. Despite what you think this is not going to go smoothly and I think it's time you had a vote with the people of Risborough to find out how they feel as I do not know anyone who wants change on this huge scale.

It seems you won't stop no matter what public opinion is

Kind regards

Vicki Johnson

Two councils instead of five - the best solution for the people of Bucks

There is currently a debate in Buckinghamshire about the future of local government. The district councils' proposal is for two new unitary councils for Bucks. We believe this is the best solution for the people who live and work here. Find out more at www.modernisingbucks.org
