I wish to highlight the lack of bus service linking Longwick to P. Risboro town centre and P. Risboro station. According to the proposals, the new bus route will not be in place until around 2029. This is after hundreds of new homes are already built, with many people presumably wishing to make this journey.

The current situation requires a bus service in my opinion, having to wait that long for it seems to be a mistake if reducing the number of cars on the roads, specifically at peak times, is to be achieved.

Even if you wanted to walk to the station from Longwick, the most direct route along Summerleys Rd has no footpath currently, so I feel a bus service is overdue.
