2. Please use this box to set out your comments on the Supplementary Planning Document consultation draft, setting out clearly if you support or object to the proposals and the reasons for your position.

If appropriate, please set out what further change(s) to the consultation draft you consider necessary. It will be helpful if you are able to put forward some suggested revised wording.

We continue to oppose the existing proposal.:-
1. The proposal is incomplete and fragmented.It is 'not joined up' and contradictory, even number of houses is not clarified.
2. The proposal is NOT to the benefit of existing residents.In fact they are penalised and their input/views largely ignored.
3. FACTS provided by WDC,including £12m funding are now doubted.
4. NOBODY actually seems to support the plan. NOT existing residents, NOT new residents want housing for local jobs,NOT supporters of AONB, the Green Belt or Environmentalists NOT even the Developers!
5. Finally..why the 'continuing' self imposed pressure on timing??A new Unitary Authority takes over in 2020, which based on WDC existing track record will NOT adopt their plan!.

(Please continue on a separate sheet/expand box if necessary)
