Having attended the meeting on the 16th July I came away thinking if I run my household budget like that I would be broke.
Your plan for Risborough you cant afford!
Your plan for Risborough Is not needed!
I do not see how unfortunate people sleeping on a park bench are going to get up and by a £400000 house!
The use of Shootacre (LANE) as a temporarily relief road just about sums it up as Shootacre is in an area of aob
You would think your planning experts would put in the relief road first so it can take all the construction traffic including HS2 but it was said you cant get the money from the developers. They get permission to build without securing the money, thats a bit like the tail wagging the dog!

(Please continue on a separate sheet/expand box if necessary)
