Reminder: Consultation on the draft Princes Risborough Expansion Supplementary Planning Document

The Wycombe District Local Plan, which is expected to be adopted by the end of summer 2019, allocates around 2500 homes in Princes Risborough, most of which through a major expansion west of the town.

The Local Plan sets out that the Council is going to prepare a Capacity and Delivery Plan to provide further detailed guidance for the expansion of the town.

The Council is now about to consult on this draft detailed guidance, now referred to as **Princes Risborough Expansion Supplementary Planning Document (SPD)**

- This SPD is intended to expand upon the policies contained within the new Local Plan.
- It provides a framework to help guide the preparation and assessment of future planning applications within the area.
- It takes the proposals from the new Local Plan, and outlines the aspirations for the area, as well as the key issues and responses that will influence how new development will take place.
- It sets out the design guidance for the expansion area and presents a development framework that has informed the preparation of a delivery plan.
- It sets out an evidence based approach that enables the delivery of the expansion.
- It provides the basis for dialogue with developers, landowners, local stakeholders, communities and statutory organisations.

The Council will be consulting on the Princes Risborough Expansion Supplementary Planning Document from Tuesday 4 June until Sunday 21 July 2019, 11.59 p.m.

Reminder: Weekly List of Planning Applications

As part of a drive to improve efficiency, and therefore capacity, within the department we have been reviewing our processes and procedures.

As a result of this we will no longer be attaching a separate list of “applications received” to the Planning Bulletin.

Our planning register has for some time been held “on-line” and can be searched using Public Access. So from 1 July we will provide a link to allow you to look this up:
